(PETITION TO REVIVE)

As you will be able to see from the **DECISION** letter that you sent to me.

I filed a petition to revive that was **DISMISSED** because I neglected to include the Basic National Fee.

You will also note that the deadline to file a proper response is **27th February 2006**.

I have already posted a new petition to revive including the Basic National Fee to the Office of Petitions on the 8th February 2006, but when I call the Office of Petitions to confirm the arrival of my new petition, the staff there can not yet confirm its arrival.

This naturally makes me a little nervous as the deadline is practically upon us, the Office of Petitions has told me that it sometimes takes two weeks for them to receive mail internally but if I waited much longer and could not confirm its arrival to you, I would have already missed the deadline.

A member of staff on the help desk suggested I fax a copy of my mailing directly to you in confirmation of what has been posted on the 8th Feb 2006.

My mailing posted on the 8th Feb 2006 should most definitely have arrived already so this fax is simply confirmation that the mailing should be somewhere in your system already.

I will also try to confirm with the mail courier within the next 24 hours if delivery has taken place.

Yours sincerely

Laaong Silaprom

DECISION

This decision is in response to applicants' "Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b)" filed on 27 October 2005.

Petition Under 37 CFR 1.137(b)

A petition to revive an application on the grounds of unintentional delay pursuant to 37 CFR 1.137(b) must be accompanied by: (1) a proper reply; (2) the requisite petition fee; (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any required terminal disclaimer.

In the instant petition, applicant completed items (2), (3) and (4). A check for the \$750.00 petition fee was provided. Applicant states that "[t]he entire delay in filing the required reply from the due date for filing the reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" as required by 37 CFR 1.137(b)(3). No terminal disclaimer is required.

However, applicant failed to satisfy item (1) of 37 CFR 1.137(b). Specifically, applicant did not submit the basic U.S. national fee. See 35 U.S.C. 371(c). For this reason, the petition is hereby DISMISSED without prejudice.

The application remains ABANDONED.

If reconsideration on the merits of this petition is desired, a proper response must be filed within **TWO (2) MONTHS** from the mail date of this decision. A proper response must include the appropriate fees. Extensions of time may be obtained under 37 CFR 1.136(a).

Please direct further correspondence with respect to this matter to the Assistant
